

The Centre for Advancing Practice

Extraordinary People, Extraordinary Care

#APConference2021

Access to conference platform

Please access our conference platform to view the programme, book your sessions and find out about speakers. You can also use this to network with other delegates and take part in our conference game.

The platform is available for six months. This is where you will be able to watch most of the sessions and access all the resources. So don't worry if you miss a keynote speaker.
