

# HEE London Advanced Clinical Practice Ophthalmology Webinar

**4<sup>th</sup> May 13:00 – 15:00, via Teams**

## HEE London Advanced Clinical Practice Ophthalmology Webinar

The London Faculty for Advancing Practice are hosting a webinar focusing on Advanced Practice in Ophthalmology. The webinar aims to provide an overview of Advanced Practice in Ophthalmology, including the training programme requirements, funding options, university programme expectations, advanced practice case studies and the experiences of a current trainee.

### Topics Includes:

- The National Picture, Advanced Practice (enhanced vs advanced)
- The Role of the Advanced Practitioner in Ophthalmology
- The UCL Advanced Practice in Optometry and Ophthalmology MSc
- Case Study, The Optometry Led Glaucoma Service at Moorfields Eye Hospital

### Presenters Includes:

- Rebecca Ellis, Ophthalmology TPD, London, Centre for Advancing Practice, HEE
- Jay Varia, Clinical Senior Teaching Fellow, UCL Institute of Ophthalmology
- Emma Laber, Lead Optometrist for Glaucoma at Moorfields Eye Hospital
- Aarti Dua, Ophthalmology Advanced Practice Trainee
- Sejal Mistry, Ophthalmology Advanced Practice Trainee
