

Mental Health Advanced Practice Webinar

Friday 22nd October 2021

Highlights include

1. Showcasing Mental Health AP trailblazers (and Advanced Practitioner Video Presentations)
2. Following an Organisation as they grow their AP workforce in a mental health Trust
3. A Psychiatrists perspective of working alongside an Advanced Practitioner.
4. Guest Speakers from a variety of backgrounds including – Psychiatrist, Psychologist, Trainee & Qualified Mental Health Advanced Practitioners.
5. Q&A – An opportunity to generate discussion, share ideas and shape future planning.

We are delighted to inform you that we will be hosting a cross regional Mental Health Advanced Practice Webinar. The webinar will be aimed at both trainee Advanced Practitioners and Managers/Organisational Leads. The first session will aim to explore the trainee AP journey, clinical career progression, and the potential of the role. While the second session explores organisational understanding, challenges & barriers to effective workforce transformation and embedding AP roles into Mental Health Trusts.

We will be hosting two sessions
